

SEA ISLAND COTTON
AT THE TOP NOTCH

Reported That It Is Bringing 32 Cents a Pound at Alachua.

THE GROWERS ARE JUBILANT

Greatly Advanced Over Last Year, Which is Attributed to Organization of Growers—The Savannah Scheme Nipped in the Bud.

With cotton selling in the seed at one and a half cents and in the lint at thirty-two cents a pound, the producers feel in some degree a little more contented, since the staple has advanced from ten to twelve cents a pound more than last season.

This is the state of affairs at Alachua, the report comes from a reliable source, and there has been plenty of buying in that vicinity for the past few days taking in all that was placed on the market. It is indeed a satisfactory state of affairs, in the face of the fact that the factors and brokers have been working in an effort to run the price down.

The Sea Island Cotton Association principally due that this price has been reached. This association, which is a combination of growers throughout the Sea Island cotton belt, have constructed enormous warehouses, where the product is stored in the event of a "freeze-out" quotation, and where it is held until the association considers a legitimate bid. This organization has accomplished a great deal, as is now demonstrated.

Several weeks ago the growers comprising the association of the Alachua division decided to sell at twenty-five cents, when about 800 bales was disposed of, and the buyers were glad to get it. It is understood that the remaining quantity in the Alachua warehouse, or the majority of it, has been disposed of within the past few days at thirty-two cents.

Three hundred bales of cotton have been shipped from Santa Fe and Alachua, but the price paid is not high.

ORANGE HEIGHTS NOTES.

Many People Gone and Town is Dull.
An Immense Orange Season.

Orange Heights, Nov. 28.—Dead silence seems to have fallen in this town today. So many have gone, those that haven't gone to the Fair seem to be in Gainesville or somewhere else.

Mr. Hall and daughter, Miss Belle, have gone to Port Orange, to be gone sometime visiting an elder daughter and sister.

Mr. Hazel and daughter, Josie, are visiting in South Florida.

Mr. Paulsen is enjoying a pleasure trip.

Mr. and Mrs. Chas. Eddy are in Gainesville today.

Many were called to Gainesville to attend the trial of the wife of Henry Howard, who was found guilty of murder in the second degree.

Dr. and Mrs. Curtis attended the trial last week.

Mr. Henry Bryan was visiting in Gainesville Monday.

Mr. and Mrs. Chas. Eddy, who had been spending several days at the Orange Fair, returned to their home today.

Miss Hattie Cartwright was a business visitor in Melrose, having sold a tract of land to J. A. King.

Mr. and Mrs. Ward of Hawthorn are taking their daughter, Mrs. J. A. King.

Miss Lumpkin is taking in the sights of the Fair.

It is rumored that we are to have a new turpentine industry.

We had a very pretty and quiet little wedding Sunday, the 18th, when Miss Alice Birch was made the wife of John Lewis of Georgia. The wedding took place at the home of the bride, who is the daughter of J. S. Birch, at this place. Only a few invited friends and relatives were present, including the father of the groom.

The name all the way from Georgia to witness the marriage of his son. The ceremony was performed in a very solemn and impressive manner by Rev. Frank of Melrose. After congratulations and refreshments, the father took his departure for his home in Georgia, and the bride and groom for their new home in Hawthorn. The wedding of rice and old shoes was omitted, but many good wishes for happiness and prosperity followed them on their journey.

Rev. Natronk will preach his farewell sermon here next Sunday, 3 p.

m., unless the Conference sends him back to this work. He has made many friends here and has done a good work in this field, and the prayers of his people will follow him wherever he may go.

Orange picking and shipping is rapidly going on. The crop is immense in this locality.

Mr. Willis of Hampton has accepted a position with the Melrose Manufacturing Company, and has moved his interesting family to this place.

FAULTY DIGESTION.

Quickly Shatters the Nervous System and Should Be Given Attention At Once.

If the sufferer with weak nerves only realized that a faulty digestion was the chief cause of nerve exhaustion, a cure would be much easier, for he would then strengthen the digestive organs with Mi-o-na stomach tablets.

A few days' use of these tablets will tone and strengthen the digestive system so that it will absorb all the elements of nerve force from the daily food, and the nerves will be strengthened, sleeplessness will be overcome, weakness will vanish, and the various functions of the body will become natural and regular.

If you have specks before the eyes, are sleepless, have nervous twitches, headaches and backaches, if there is nausea or distress after eating, if the appetite is poor and there is general debility and weakness, begin the use of Mi-o-na at once, and you will soon notice a marked improvement in health. It will give strength and vigor to the whole digestive system, restore the vital force and nerve energy, and impart ambition, strength and good spirits to the discouraged, run-down and weak.

You run no risk whatever in buying Mi-o-na, for J. W. McCollum & Co. give an absolute guarantee with every 50-cent box that the money will be refunded unless Mi-o-na does all that is claimed for it.

Carnegie Buys Shoes at Tuskegee.

New York, Nov. 28.—Andrew Carnegie, according to Booker T. Washington, who spoke at the Universalist church of the Divine Paternity, buys his shoes at Tuskegee, Ala., where they are made by negro students.

TO CURE A COLD IN ONE DAY

Take LAXATIVE BROMO Quinine Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

A Diplomat.

The Child—Mother, which had I better do, go to school in the rain and get soaking wet and probably catch cold and die or just simply get an absent mark against my name?—Exchange.

Desperate
Coughs

Dangerous coughs. Extremely perilous coughs. Coughs that shake the whole body. You need a regular medicine, a doctor's medicine, for such a cough. Ask your doctor about Ayer's Cherry Pectoral for these severe cases. We have no other. We publish the facts of our preparation. J. C. Ayer, Lowell, Mass.

Moore is Given Reprimand.

Washington, Nov. 28.—Complying with instructions from the president, Secretary Wilson, of the department of agriculture, has administered to Willis Moore, chief of the weather bureau, a reprimand for his action, which the civil service commission declared improper, of urging a printer named Cooper to pay certain strike assessments imposed by the Typographical union. Following his refusal to pay and his expulsion from the union, Cooper was ordered by Professor Moore to be transferred to New Orleans, but after the report of the commission had been submitted he was ordered re-instated in the office at Washington, D. C. The secretary declined to say anything about the character of the reprimand.

Sells More of Chamberlain's Cough Remedy Than of All Others Put Together.

Mr. Thos. George, a merchant at Mt. Elgin, Ontario, says: "I have had the local agency for Chamberlain's Cough Remedy ever since it was introduced into Canada, and I sell as much of it as I do of all other lines I have on my shelves put together. Of the many dozens sold under guarantee, I have not had one bottle returned. I can personally recommend this medicine as I have used it myself and given it to my children and always with the best of results." For sale by all druggists.

Denounce Chicago Police.

Chicago, Nov. 28.—Denouncing the Chicago police as "bullies," and "tyrants" and Chicago Justice as "ridiculous," the recently formed Hebrew Protective association has announced its determination to abandon direct appeal to the police department in cases of "Jew baiting," and conduct its fight by vigilance committee methods. Details of the association's plans were reported to the Jews of the Ghetto at a mass meeting at the west side auditorium. Nearly a quarter of the audience was made up of alleged victims of the rowdism.

No Case of Pneumonia on Record.

We do not know of a single instance where a cough or cold resulted in pneumonia or consumption when Foley's Honey and Tar had been taken. It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which cause consumption, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. J. W. McCollum & Co.

Melvin Visited Packing Houses.

Washington, Nov. 28.—Alonso D. Melvin, chief of the bureau of animal industry under whose office the administration of the meat inspection law, enacted at the last session of congress, is carried out, has returned from a western tour of inspection which included a visit to packing houses in Chicago, Milwaukee, Denver and Kansas City. He says every where there is apparent beneficial effects of execution of the law and manifest desire on the part of packers to comply with its provisions.

There's No Use.

Talking, you can't beat Herbine for the liver. The greatest regulator ever offered to suffering humanity. If you suffer from liver complaint, if you are bilious and fretful, if it's your liver, and Herbine will put it in its proper condition. A positive cure for constipation, biliousness, dyspepsia, and all ills due to a torpid liver. Try a bottle and you will never use anything else. Sold by W. M. Johnson.

Robbery of Postoffice.

Bogue Chitto, Miss., Nov. 28.—The postoffice at this place was entered by unknown parties Sunday night, who blew open the safe and robbed it of \$11,000. The thief then stole a horse and rode as far as Brookhaven, where he left the animal. The postoffice authorities have been notified. There is no clue to the robbery.

Be Charitable

To your horses as well as to yourself. You need not suffer from pains of any sort—your horses need not suffer. Try a bottle of Ballard's Snow Liniment. It cures all pains. J. M. Roberts, Bakerfield, Mo., writes: "I have used your Liniment for ten years and find it to be the best I have ever used for man or beast." Sold by W. M. Johnson.

RHEUMATISM
TROUBLESOME PAINS AND ACES

While Rheumatism is usually worse in Winter because of the cold and dampness of a changing atmosphere, it is by no means a Winter disease entirely. Persons in whose blood the uric acid, which produces the disease, has collected, feel its troublesome pains and aches all the year round. The cause of Rheumatism is a sour, acid condition of the blood, brought about by the accumulation in the system of refuse matter, which the natural avenues of bodily waste have failed to carry off. This refuse matter coming in contact with the different acids of the body, forms uric acid which is absorbed by the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. Rheumatic persons are almost constant sufferers; the nagging pains in joints and muscles, are ever present under the most favorable climatic conditions, while exposure to dampness or an attack of indigestion will often bring on the severer symptoms even in warm, pleasant weather. Liniments, plasters, lotions, etc., relieve the pain and give the sufferer temporary comfort, but are in no sense curative; because Rheumatism is not a disease that can be rubbed away or drawn out with a plaster. S. S. S. is the best treatment for Rheumatism: it goes down into the blood and attacks the disease at its head, and by neutralizing the acid and driving it out, and building up the thin, sour blood, cures Rheumatism permanently. Being made entirely of roots, herbs and barks, S. S. S. will not injure the system in the least. Book on Rheumatism and any medical advice without charge.
